- NOTE:
1. May only be claimed when a declaration of a public health emergency is made pursuant to 52.1(1), of the Public Health Act; or when the Chief Medical Officer of Health determines, in their discretion, that it is appropriate to implement this health service code even though a public health emergency has not been declared.
 2. May only be claimed for a limited assessment of patients conditions related to the presenting problem, appropriate records, and advice to the patient or their agent.
 3. May only be claimed when the request for advice is initiated by a patient or their agent and services provided by an optometrist.
 4. May only be claimed once per patient, per optometrist, per day.
 5. Benefit includes providing a new prescription or prescription renewal if provided.
 6. May not be claimed for providing general information on the virus.
 7. May not be claimed for services provided through Health Link.
 8. Documentation of the request and advice given must be recorded. Patients record must include a summary of all services provided.
 9. No in-person services can be claimed for the same patient on the same day.
