THE ENVIRONMENTAL PROTECTION SECURITY FUND ANNUAL REPORT

April 1, 2014 to March 31, 2015

The Environmental Protection Security Fund operates under the authority of Section 32(1) of the *Environmental Protection and Enhancement Act*. Regulatory processes are detailed in the *Conservation and Reclamation Regulation* and the *Waste Control Regulation*.

The purpose of the fund is to hold security deposits to assure satisfactory land reclamation will be carried out pursuant to approvals under the Act. When conditions of the approval are met and a reclamation certificate is issued, the funds are returned to the depositor. Partial refunds or credits are given when part of the reclamation work is completed. If the conditions of the approval are not complied with and the operator is unwilling or unable (e.g., in a bankruptcy) to complete the necessary reclamation, the funds will be used for this purpose.

Security is collected for certain specified activities, including Coal and Oil Sands Mining Operations, Landfills, Hazardous Waste and Recyclable projects, Quarry Activities, Waste Management Facilities, Sand and Gravel operations and Metal Production plants. Pursuant to the regulations, the depositor provides an estimate of the actual cost of reclamation. Security estimates are updated based on current disturbance, current reclamation completed and predicted disturbance. The estimates are reviewed and either accepted or further information is requested. Once the estimate is finalized, the depositor provides the required amount of security in one of the forms provided for in the regulations.

The Fund is managed with the objective of providing competitive interest income to depositors while maintaining appropriate security and liquidity of depositors' capital. As at March 31, 2015, securities held by the fund have a time weighted return of 1.1% per annum (2014: 1.1% per annum). The interest accrues to the depositor's account on a monthly basis.

The total cash deposits plus interest, bonds and guarantees as of March 31, 2015 held in the fund was \$1,783,040,654 compared to \$1,606,184,163 for the preceding year. This document also reports on disposition of non-cash security deposits, which have been accepted in lieu of cash. The fiscal year's financial situation is summarized in the Statement of Financial Position.
