

File No. 19096

Environment and Sustainable Resource Development

FORESTS ACT

BEING CHAPTER F-22 R.S.A. 2000 (the "Act")

Amendment #2 to

Director's Order 2013/01 - UAR

Gordon Buchanan Enterprises Ltd.
3200, 10180 – 101 Street
Edmonton, Alberta
T5J 3W8

WHEREAS on October 7, 2013, the Director issued to Gordon Buchanan Enterprises Ltd. (the "Company") Director's Order 2013/01-UAR (the "Order"), which required the Company to remedy the effects of the failure of the Roads into the Block 1559 at SW22-69-13-W5M [the "Site"] under the Timber Licence;

WHEREAS on October 17, 2013, in response to a request from the Company, the Director issued Amendment #1 to the Order, which amended the completion date for the remedial work to be completed from January 31, 2014 to July 31, 2014;

WHEREAS on October 31, 2014, the Director received from the Company's the Geotechnical and Slope Stability Impact Assessment and Reclamation and Revegetation Plan (the "Proposed Plan"), which plan included Appendices A-D, inclusive;

WHEREAS Environment and Sustainable Resource Development (ESRD) has reviewed the Proposed Plan and found that the Proposed Plan satisfies some of the requirements of the Order, but also contains deficiencies that must be addressed before the Director can approve all of the Proposed Plan;

WHEREAS while the Director considers the options for implementing the Proposed Plan, the Watercourse requires interim protection from the potential for further erosion and sedimentation;

WHEREAS Faye Hutchings, Acting Compliance Manager, Upper Athabasca Region, has been designated a Director for the purposes of issuing orders under the *Forests Act* (the "Director");

WHEREAS the Director believes that an amendment to the Order to authorize necessary remedial work is required;

THEREFORE, I, Faye Hutchings, pursuant to section 12 of the *Forests Act*, DO HEREBY ORDER:

1. The Company shall immediately and in perpetuity prevent any and all earthen material from entering
 - a. the bed; and
 - b. shoreof the Watercourse from the Site, in respect of the Company's activities on the Site.
2. The Company shall by **May 31, 2014, on the Site on the shore of the Watercourse only**, implement paragraph 13 of "Order of operations", pages 7-8 of Appendix D of the Proposed Plan.
3. The Company shall, beginning one week after commencing the work set out in clause 2, and continuing at least once per calendar week thereafter, until notified otherwise in writing by the Director, carry out a Weekly Site Inspection.
4. During each Weekly Site Inspection, the Company shall carry out each of the following:
 - a. Assess the condition of all silt fencing;
 - b. Assess the condition of all other erosion and sedimentation prevention measures that have been implemented;
 - c. Make repairs to silt fencing and other erosion or sedimentation prevention measures;
 - d. Make notes of :
 - i. All of the above; and
 - ii. Any new Site conditions that have materialized since the earlier Weekly Site Inspections.
5. The Company shall, beginning on **April 1, 2014** and continuing **1st** day of each following month thereafter, until notified otherwise in writing by the Director, provide to the Director a written Site Inspection Report.
6. In each Site Inspection Report, the Company shall include at least a summary of all of the observations made and activities carried out in accordance with Clause 4 of this Amendment, since the last Site Inspection Report.
7. The Company, and any of its agents, representatives, consultants or other parties representing the Company, shall not, in carrying out any actions required under this Amendment, come into contact with any undisturbed bed and shore, of the Watercourse.
8. The Company shall provide the Director with 24 hours' notice either by phone or email prior to commencing the work described in Clause 2 of this Amendment.

9. Clauses 1, 2, 3, 4 and 6 of the original Director's Order 2013/01 - UAR are hereby deleted, cancelled or repealed, as the case may be.

DATED at the city of SPRuce GROVE in the Province of Alberta, this 19 day of March, 2014.

Original Signed by: Faye Hutchings
Acting Compliance Manager
Upper Athabasca Region

Notwithstanding the above requirements, the Company shall obtain all necessary approvals in complying with this order.

Take notice that this order is a remedial tool only, and in no way precludes any enforcement proceedings being taken regarding this matter under this Act or any other legislation.
