To All Authorized Employers of Peace Officers:

RE: IT Interruptions that may affect MOVES and CPIC

The Government of Alberta (GoA) is conducting planned maintenance on government information technology systems between Friday, April 8, 2022 at 10 p.m. and Sunday, April 10, 2022 at 5 p.m.

During this time, there may be periodic outages or slow response times within some applications, including the Motor Vehicles System (MOVES) and it’s interface to the Canadian Police Information Centre (CPIC) database.

CPIC queries may not be available from Friday, April 8, at 11:45 p.m. – Saturday April 9, at 03:00 a.m. and again from 07:30 to 10:30 p.m.

This is necessary and routine system maintenance to ensure continued provision of GoA applications and the GoA will strive to minimize any downtime and impacts to stakeholders.

Thank you for your understanding.

Sincerely,

Sean Bonneteau,
