To all Authorized Employers:

Re: CAO/Senior Managers Training Sessions

Each year the Alberta Association of Community Peace Officers (AACPO) hosts one or more Chief Administrative Officer/Senior Manager sessions, an interactive learning and information session with the Manager of the Peace Officer Program (Program). The Program is pleased to participate in this initiative and other opportunities to support the development and success of the agencies participating in the Program.

This session is specifically for organizational decision makers with peace officer oversight, typically at the manager/director (non-uniformed) level and above.

The AACPO will be hosting a session as follows:

Date: Wednesday, November 23, 2022
Time: 13:00 – 16:00 hours
Location: MS Teams

Registration: Email AACPO at president@aacpo.ca
(Invitation and Teams link will be provided by AACPO)

Join the AACPO and the Program Manager for this opportunity to develop your knowledge and role as an Authorized Employer of Peace Officers. The Manager will lead participants through discussions that include:

- Roles, responsibilities and expectations for agencies
- Handling of public complaints and internal investigations
- Role of HR in the complaints/investigation process
- Key changes to Program policy
- Change to the Bulletin system
- Update on the CPO2 transition process
- Change of Ministry structure and impact on Authorizations and Appointments
- Pilot Projects – current and future
- Other initiatives impacting peace officers
- Questions from participants
- Q&A encouraged throughout

Sincerely,
