To all Authorized Employers:

Re: MOVES/ROADS Service Outages – November 4-5, 2022

The Government of Alberta is conducting planned maintenance on its information technology systems between November 4, 2022, at 2200 hours and November 5, 2022, at 2030 hours. Reminder, time change occurs Saturday November 5, 2022 at 0200 hours.

During this period, there may be periodic outages and slow response times in the Motor Vehicle System (MOVES/ROADS) database and its interface with the Canadian Police Information Centre (CPIC) database.

This does not impact CPIC access through the Sheriffs Operations Centre during this period.

The Government of Alberta will strive to minimize any downtime and impacts on system users.

Sincerely,

Tammy L. Spink
Manager
Law Enforcement Oversight and Standards
