The Alberta Justice and Solicitor General Training Academy is conducting an APOIP Course August 8 – 26, 2022.

The APOIP course is 3 weeks in duration and the purpose is to provide foundational training related to the responsibilities and demands of peace officers performing investigative functions.

This course is intended for Alberta Peace Officers with inspection and investigation roles. There is no cost for the course. Accommodations and some meals are the responsibility of the employer.

Registration can be sent to the Training Academy’s mailbox training.academy@gov.ab.ca. This will not be a first come first serve registration but will look at evenly distributing the space. Class size will be capped to around 15.

For further information, please contact the Training Academy at training.academy@gov.ab.ca.
