OIL SANDS INFORMATION BULLETIN 2009-12

SUBJECT: Department of Energy Oil Sands Website Revisions

The Department of Energy Oil Sands [website](#), effective September 2, 2009, has undergone significant revisions. Several pages were renamed or re-organized to streamline public access to Oil Sands information. Please see the following table for the replacement page names:

Old Page	New Page
Forms and Reporting	Forms
Legislation, Guidelines & Policies	Legislation and Policies
Sales and Administration	Oil Sands Rights
Publications and Maps	Publications
Royalty Information	Royalties and Ongoing Projects

How will these changes affect you? Some examples include:

- Previous Oil Sands Information Bulletins and Information Letters may refer to web pages using the “old page” names.
- Oil Sands Guidelines are now located in their respective categories:
 - [Royalty Guidelines](#) are located under Royalties and Ongoing Projects.
 - [Tenure Guidelines](#) are located under Oil Sands Rights.
- Maps are located under [Publications](#).

Please note that some URLs have changed, so if you have bookmarked pages from the old website, remember to update them.

If you have any questions or are having difficulty locating information on the revised site, please contact Ryan Jones at ryan.jones@gov.ab.ca or 780-643-1597.

Sincerely,

Anne Denman
Executive Director
Oil Sands Operations
