

DECLARATION

WHEREAS the Province of Alberta recognizes the long-standing and extensive contributions of the energy industry to the province and to the country, through the employment of hundreds of thousands of Albertans and Canadians;

WHEREAS the energy sector is vital to the provincial and federal economies, providing billions of dollars of revenue to support communities and the delivery of public services from coast-to-coast;

WHEREAS Indigenous communities are partners in prosperity and the full participation of Indigenous Peoples is foundational to the development of Alberta's energy resources;

WHEREAS the Province of Alberta has a long tradition of responsible energy development and strong climate and emissions management policy, and is taking practical steps to cut emissions;

WHEREAS Alberta's bedrock oil and gas sectors are an integral part of the province's past, present and future, by providing responsible energy across the globe and positioning Alberta as a world leader in technology development, innovation and a diversified energy future;

WHEREAS Alberta has been and will continue to be a safe, secure and responsible energy producer and supplier that is integral to global energy security;

WHEREAS Canadian and international energy leaders are coming together in support of the energy sector at the National Coalition of Chiefs' Energy and Natural Resources Summit from June 5-6, 2022, and the Global Energy Show from June 7-9, 2022, in Calgary, Alberta;

**THEREFORE, I SONYA SAVAGE, MINISTER OF ENERGY,
DO HEREBY DECLARE JUNE 6-10, 2022, ENERGY WEEK
IN THE PROVINCE OF ALBERTA.**

Original signed on June 6, 2022

The Honourable Sonya Savage, Q.C., Minister of Energy
