

Elk Allocations for the 2021 Hunting Season

2021 ELK ALLOCATIONS

(# of Licences Available by Wildlife Management Unit (WMU))

* = 2 tags per licence

Note: Outfitter allocations for 2021 may be higher in some WMUs than the "Standard" allocations they typically receive each year. The increase for 2021 is based on deferrals of a limited number of allocations as part of the governments support measures provided to Alberta Professional Outfitters Society to mitigate impacts of travel restrictions related to COVID-19 on their industry. For transparency, the table below provides the allocations outfitters will receive in 2021, as well as the allocations outfitters receive in a standard year.
