Liability Disclaimer

This brochure is provided for information purposes and to advise you of many of the rules to trail use and camping. Use of the trail system and camping are entirely at your own risk. The trails have not been classified by degree of difficulty and little or no maintenance is done on these trails; natural and man-made hazards may exist. The trail system can be difficult and physically challenging and conditions may change due to weather and other factors. For example, trails that may be easy to traverse under dry or frozen conditions may be hazardous and/or impassable under spring thaw or wet conditions. It is up to users of the trail system to learn the necessary skills for their safe enjoyment and to exercise caution in potentially hazardous areas.

Rocky Mountain Forest Reserve

This PLUZ is part of the Rocky Mountain Forest Reserve. Active timber harvest occurs throughout the year and many roads throughout the PLUZ may be used for log hauling. Remain aware of your surroundings and use caution when traveling, specifically in areas where active timber harvest is occurring. Please avoid active logging areas.
