Motorized vehicles insured and registered as on-highway vehicles only are permitted on these roads.	No trail signage	  	Public Highways, Departmental Licence of Occupation and Licence of Occupation Roads	✓	x	x	✓

**Note 1:** Trail access may be amended, modified or closed by an officer in response to fire, fire hazard, flooding, wildlife or other environmental and safety concerns. Please ensure you have the current information on the area to which you are travelling and obey all posted signs and notices.

**Note 2:** Motorized vehicles over 70" / 1.8m in width are not permitted on trails

**Note 3:** Winter (September 1 – April 30) off-highway vehicle activities are permitted on designated trails. Damage to public lands (e.g., leaving garbage, cutting live trees, and/or causing damage to the landscape in wet/muddy conditions) is illegal and may result in enforcement action.

Roads and trails in the Porcupine Hills have no regular winter maintenance. Be prepared to have to back out, or turn around, due to snowed in conditions.

No Public Motorized Access Beyond This Point

### Liability Disclaimer

This brochure is provided for information purposes and to advise you of many of the rules to trail use and camping. Use of the trail system and camping are entirely at your own risk. The trails have not been classified by degree of difficulty and little or no maintenance is done on these trails; natural and man-made hazards may exist. The trail system can be difficult and physically challenging and conditions may change due to weather and other factors.

For example, trails that may be easy to traverse under dry or frozen conditions may be hazardous and/or impassable under spring thaw or wet conditions. It is up to users of the trail system to learn the necessary skills for their safe enjoyment and to exercise caution in potentially hazardous areas.
