

Application for Approval and Supplemental Information Requests 1, 2 and 3

Tamarack Integrated Oil Sands Project

December 2012

Search This CD

Volume 1 Project Description

Cover Letter
 Executive Summary
 Acknowledgements
 Guide to the Application
 Master Table of Contents
 Concordance Table
 Glossary, Acronyms and Abbreviations

Section 1.0: Project Overview and Approval Request
 Section 2.0: Project Description
 Section 3.0: Conservation and Reclamation Plan
 Section 4.0: Environmental Impact Summary
 Section 5.0: Public Engagement and Aboriginal Consultation
 Section 6.0: EPEA Approval Requirements

Attachment 1: Final Terms of Reference
 Attachment 2: Assessment of the Effects of SAGD Phase 1 on Suncor South Tailings Pond Works
 Attachment 3: Ivanhoe Tamarack Microfracture Analysis Well 13-26 and Well 14-23-90-9W4
 Attachment 4: Influence of Continuous SAGD Heating on Safe Operating Pressures at Tamarack
 Attachment 5: Consultation Materials
 Attachment 6: Project Air Emissions

Volume 2 Environmental Impact Assessment

Executive Summary
 Acknowledgements
 Master Table of Contents
 Concordance Table
 Glossary, Acronyms and Abbreviations

Section 1.0: Introduction
 Section 2.0: Project Description
 Section 3.0: Scope of Environmental Impact Assessment
 Section 4.0: Air Quality
 Section 5.0: Noise
 Section 6.0: Hydrogeology
 Section 7.0: Hydrology
 Section 8.0: Surface Water Quality
 Section 9.0: Fisheries and Aquatic Resources
 Section 10.0: Soils, Terrain and Surficial Geology
 Section 11.0: Vegetation and Wetlands
 Section 12.0: Wildlife
 Section 13.0: Biodiversity
 Section 14.0: Land and Resource Use
 Section 15.0: Historical Resources
 Section 16.0: Traditional Land Use and Traditional Ecological Knowledge
 Section 17.0: Socio-Economic Impact Assessment
 Section 18.0: Human Health Risk Assessment

Volume 3 EIA Appendices

Master Table of Contents

Appendix A: Air Quality
 Appendix B: Noise
 Appendix C: Hydrogeology
 Appendix D: Surface Water Quality
 Appendix E: Fisheries and Aquatic Resources
 Appendix F: Soils, Terrain and Surficial Geology
 Appendix G: Vegetation and Wetlands
 Appendix H: Wildlife
 Appendix I: Biodiversity
 Appendix J: Traditional Land Use and Traditional Ecological Knowledge
 Appendix K: Socio-Economics
 Appendix L: Human Health Risk Assessment

Volume 4 Supplemental Information Request #1

Preamble
 Project Update
 Final ERCB/AENV Supplemental Information Request
 ERCB Responses
 AENV Responses
 Appendices

Volume 5 Supplemental Information Request #2
