

STANDATA interpretation 19-EDI-011

Elevating Devices

CSA B355 Annex D

Date Issued: November 2022

Page 1 of 2

Purpose

This interpretation adopts annex D requirements listed in the CSA B355. 'Platform lifts and stair lifts for barrier-free access' which specifies the requirements for the alteration of existing lifts with mandatory language.

Discussion

This code allows regulatory authorities to formally adopt these requirements.

Annex D (informative)

Alterations

Note: This informative (non-mandatory) Annex has been written in normative (mandatory) language to facilitate adoption where users of the Standard or regulatory authorities wish to adopt it formally as additional requirements to this Standard.

Application

Unless stated otherwise, all Code references in this STANDATA are to CSA B355:19 Platform lifts and stair lifts for barrier-free access.

This interpretation applies to all devices regulated under the CSA B355 Safety Code for Lifts and Chair Lifts for Barrier Free Access and the Elevating Devices Code Regulation.

Interpretation

The regulatory authority will interpret annex D as mandatory requirements. This Annex specifies the requirements for the alteration of existing lifts. The Elevating Devices Passenger Ropeways Amusement Ride Permit Regulation must be followed when alterations are being considered.

This INTERPRETATION is applicable throughout the Province of Alberta.
