### Product list updates: Prosthetic and orthotic benefits

Alberta Aids to Daily Living (AADL) has updated the approved product list for prosthetic and orthotic benefits. The updates were informed by collaborative discussions with the Alberta Association of Orthotists and Prosthetists.

### What has changed

AADL has increased the charge-out rate paid to vendors to provide services to AADL clients. The updates apply to all benefits listed in [Alberta Aids to Daily Living Approved Product List O – Orthotic Benefits](#) and [Alberta Aids to Daily Living Approved Product List P – Prosthetic Benefits](#).

The updated pricing is effective as of April 1, 2024.

AADL recommends that prosthetic and orthotic vendors carefully review the updated approved product lists to ensure their systems are updated to match. The updated lists can be found on the [AADL prosthetics and orthotics benefits page](#) on the Open Government web portal.

Vendors who require support while transitioning to the updated approved product list may contact Alberta Blue Cross Provider Inquiries at 1-888-828-8738 or [healthservicesAADLinquiries@ab.bluecross.ca](mailto:healthservicesAADLinquiries@ab.bluecross.ca).
