Product list updates: Speech generating communication devices

Alberta Aids to Daily Living (AADL) is updating [Approved Product List AS – Speech Generating Communication Devices](#) to reflect changes in vendor and product availability. There are no other changes to product selection or maximum price.

These updates take effect February 9, 2024.

Products removed

The following products have been removed from the approved product list because they are no longer available from the manufacturer or supplier:

- Microsoft Surface Go 10" bundle (AADL catalogue number A408)
- Nova Chat 5 and 12 (A406)

Products added

The following products have been added to replace discontinued products and include new makes and models now available:

- iPad Pro 12.9" (A407)
 - This model will accommodate clients who need a larger screen and may be a suitable alternative to the discontinued Microsoft Surface Go 10" bundle.
- iPad Pro cases (A407)
- TD Pilot (A406)

Product availability note

- A note has been added to the Surface Pro 12" bundle (A408) reflecting that it is only available from the supplier when ordered with eye tracker hardware.
