

Alberta Aids to Daily Living

Bulletin #159

Product list updates:

Manufacturers added for custom compression garments, back and abdominal supports

Alberta Aids to Daily Living (AADL) is adding new approved manufacturers to [Approved Product List S – Back and Abdominal/Inguinal Hernia Supports](#) and [Approved Product List T – Custom-Made Compression Garments](#). This change will give clients access to a wider range of products supported by AADL clinicians and vendors.

This update will be effective December 1, 2023.

New manufacturers

Approved Product List S - Back and Abdominal/Inguinal Hernia Supports

- Actimove

Approved Product List T - Custom-Made Compression Garments

- Bauerfeind Canada
