DIRECTORY OF ALBERTA PUBLIC LIBRARIES

JUNE, 2011

INTRODUCTION

The *Directory of Alberta Public Libraries* is produced annually by Alberta Municipal Affairs, Public Library Services Branch. At the time of printing, the directory consists of 7 library system boards, 224 municipal library boards. Together they operate 312 public library service points in the province of Alberta.

Library System. Established by agreement between two or more municipalities and/or school authorities as provided for under Section 13 of the *Libraries Act*, Statutes of Alberta Ch. L-11. A system is supported by local taxes and is governed by a board consisting of one member appointed by each participant, and additional members appointed in accordance with the *Libraries Regulation*.

Municipal Library. Established by passage of a bylaw under Section 3 of the *Libraries Act*, Statutes of Alberta Ch. L-11. A municipal library is supported by municipal taxes and is governed by a board of not less than five and not more than ten members, all appointed by the council of the municipality. Not more than two members of council may be appointed as members of the Board.

Community Library. Established, governed, and supported by an association of persons, whether incorporated or not, and authorized by the Minister, under Section 26 of the *Libraries Act*, Ch. L-11, to provide library services to the public in a given area. It is governed by a board which is a corporation.

The next update of this directory is planned for June, 2012. Please notify the Public Library Services Branch of any related changes.
