

GOVERNMENT OF ALBERTA
DEPARTMENT OF TRANSPORTATION
EXEMPTION BY REGISTRAR

The Registrar, pursuant to section 114 of Alberta's *Vehicle Equipment Regulation*, (VER) subject to the conditions and restrictions noted below, hereby exempts motor vehicles operated by a transportation network driver, or a taxi driver, from the requirements of sections 4(2) and (4) of the VER, to allow the installation and use of a transportation network company ("TNC") lamp, or a taxi "for hire" lamp.

Conditions:

- 1) The taxi service or TNC must be authorized or licensed by the Registrar or the municipality it is operating in, as applicable.
- 2) A motor vehicle operated as a taxi may have a roof top "for hire" lamp.
- 3) A motor vehicle operated by a transportation network driver may have a "TNC" lamp which identifies the transportation network driver as online the network.
- 4) The taxi "for hire" lamp may only be activated when a taxi is available for hire.
- 5) The "TNC" lamp may only be activated in connection with picking up or dropping off a rider.
- 6) Lamps allowed by this exemption may vary their brightness while the vehicle is available for service, or when picking up or dropping off a rider.
- 7) Lamps allowed by this exemption may change colour.
- 8) The taxi "for hire" or "TNC" lamps may not emit red or blue light.

The Registrar may amend, suspend or cancel this exemption at any time.

This exemption expires on December 1, 2023.
